MOFCOM SCHOLARSHIP-CSC Program (2026 Enrollment Guide)

Part one: Program Introduction

I Brief Introduction

Academic Education Programs sponsored by the Ministry of Commerce of People's Republic of China is designed to foster high-end business officials and managerial personnel for the recipient countries, offering master programs and doctoral programs for the purpose of educating high-end and inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries. These programs provide assistance to governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English. Admission requirements include a bachelor's degree or master degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees. The programs are playing a more and more important role in stimulating economic cooperation between China and students' home countries, which the host governments are attaching great attention to this program.

MOFCOM Scholarship-CSC Program is set up by Ministry of Commerce of People's Republic of China to further strengthen the communication and cooperation between China and other countries as well as to develop talents for developing countries. Starting from 2015, MOFCOM Scholarship-CSC Program mainly sponsors the young and the middle-aged talents from recipient countries to pursue their postgraduate degree education in China. China Scholarship Council is entrusted to administer the Scholarship.

II Supporting categories
