### TEACHING AND SUPERVISION

**Courses which I can teach, and others which I am willing to Offer at undergraduate and postgraduate levels:**

#### Teaching courses:

- Architecture Design
- Free-hand and technical Drawings
- History of Architecture
- Islamic Architecture
- Urban Design
- Urban Planning
- Regional Planning
- Landscape
- Architectural Criticism

#### Ability to teach the following Undergraduate courses:

- History of Architecture
- Islamic Architecture and the Environment.
- Urban Design
- Urban Planning

- Regional Planning
- Islamic Cities
- Landscap

**I am willing to offer the following subjects at research level for both undergraduate and post graduate:**

- Theories of planning.
- Urban Planning and Urban Design in General.
- Urban Planning and Urban Design from Islamic point of view
- Planning for Muslim Cities in modern time
- Planning and Islamic Thought
- History of Muslim cities.
- Implementation of urban theories on urban fabric.

**Supervision Experience: Supervision at undergraduate level (such as final year projects)**

**Throughout the last six years:**

- I supervised final year architectural and urban design projects for 78 students. Subjects of these projects were as follows:
- Islamic Complexes including mosques, libraries, theatres, schools, playgrounds etc.
- Cultural Complexes including entertainment areas, different building containing different activities, etc.
- Cultural Villages including a complete site for different cultural activities.
- S.O.S. Villages including a complete neighbourhood and its service buildings.
- Urban Development of historic sites.
- Urban Development of down town of different cities in Jordan: ( Such as: Amman, Irbid, Mafraq, Ajloun, Madaba, Zarka, Karak and Aqaba )
- Urban studies for newly established towns and neighbourhoods in Jordan, such as: Amman Suburb, Zarka and Irbid
- Urban planning and design for different future expansion lands in different cities, such as: Southern Amman, eastern Irbid, eastern Zarka and southern Mafraq.
- Tourist Villages, including motels, museums, playgrounds, landscape, swimming pools, partings etc.
- Development of existing universities' sites.
- University campus." Master plan ( urban) & engineering and medical colleges (architectural)"
- Multi use commercial high-rise building.
- And others.

**Activities, Lectures and Jury Participation**

- I was a Coordinator or Chairman of Coordinating Committee for different local and national professional conferences
- I delivered Hundreds of public lectures over the past years in the areas of Architecture, Environment, Urban Planning and Design, and Municipal Affairs in different places.
- I was a member of several arbitrating juries of Semester and Graduation projects at Urban Planning and Design Departments and Architectural Departments in different universities, such as: University of Engineering and Technology, Lahore, Pakistan, Cairo University, Egypt, Jordan University, Al al-Bayt University, Jordanian University of Science and Technology, Jordanian German University, Yarmuk and Applied Science University in Jordan.
