

CURRICULUM VITAE

IDENTIFICATION

Name: Ala Lutfi Olayyan Al-Moumani

Place of Birth: Zarqa – Jordan.

Date of Birth: 15/5/1975

Nationality: Jordanian

Status: Married

Address: Irbid – Jordan.

Mobile: 00962772250310

E-mail: amoumani@gmail.com

QUALIFICATIONS

2001 M.Sc. in physics (Magnetism), Al al-Bayt University,
Mafraq – Jordan.

1997 B.Sc. in Physics, Yarmouk University, Irbid – Jordan.

1992 General Secondary Education, Mafraq – Jordan.

ACADEMIC GRADE

2003 – To date: Lecturer at the Department of Physics – Faculty of
Science, Al al-Bayt University, Mafraq – Jordan.

2001 – 2003: Teaching and Researching Assistant at the
Department of Physics – Faculty of Science,
Al al-Bayt University, Mafraq – Jordan.

WORK EXPERINCE

Teaching, Al al-Bayt University, Mafraq – Jordan.

TEACHED SUBJECTS

General Physics (101).
General Physics (102).
Computer applications in physics.
General Physics Lab (1).
General Physics Lab (2).
Intermediate Physics Lab.
Advanced Physics Lab.
Electronics Lab.

AREAS OF INTEREST

Preparing learning multimedia.
Magnetic measurements of magnetic materials.
Computer applications in physics.
Practical physics.
Physics and science simulation applications.

PUBLICATIONS

M. M. El-Hilo, A. L. Al-Momnee, and S. A. Bakar "Minor hysteresis loop phenomena in particulate recording media" , J. Appl. Phys., Vol. 91, No. 10, (2002).

I. Bsoul, A. Rousan, A. L. Al-Momnee and A. Hudeish, Interaction fields in doped Barium ferrite particle powder systems, Al-Manarah for Research and Studies, Volume 14, Number 3, 2008, pp. 33-45.

COMPUTER SKILLS

Microsoft Office (Word, Excel, PowerPoint).
Simulation applications.
Strong ability to deal with different applications.

LANGUGES SKILLS

English (reading, writing, speaking).
Arabic - native (grammar, syntax, literature).
Translation (English, Arabic).
